

Holiday Programmes for **Independent Schools**

PERFORMANCE. EXPLORATION. CREATION.

A new standard in holiday provision.

Who We Are

Edge Camps UK delivers premium holiday programmes for children aged 5-13, designed in partnership with independent schools.

We believe school holidays should be purposeful, inspiring and aligned with the standards families expect from independent education. Our programmes combine elite-level sport, intellectual exploration and emotional wellbeing. Creating a balanced, enriching experience for every child.

The Edge Philosophy

At Edge, we recognise that children thrive when they are:

Challenged **Physically**

Stimulated **Intellectually**

Supported **Emotionally**

Our camps are intentionally designed to balance energy, focus and reflection. This ensures children remain engaged, confident and motivated throughout the day. All whilst enhancing and developing new skills.

Our Pathways

Choice that empowers children

Children choose one of three pathways, allowing them to take ownership of their experience and fully immerse themselves in what excites them most..

Performance

Elite coaching, skill development, match play and performance mindset training, delivered by experienced practitioners, coaches will develop youth specific fundamental movement, focusing on effective and efficient patterns specific to the various sports they are engaging with.

Explorer

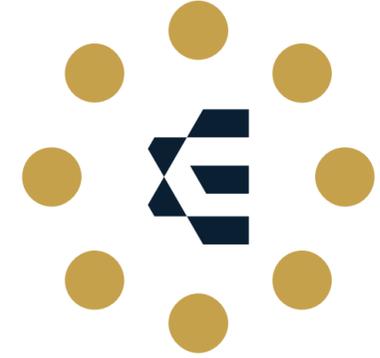

Hands-on robotics and problem-solving challenges that encourage curiosity, collaboration and independent thinking. Children will be immersed in, **programming, building, AI, 3D modelling & coding** as we ignite their futures through honing cognitive function and enhancing neuro-plasticity. We are developing better learners in this pathway- which is vital for high performance in any arena.

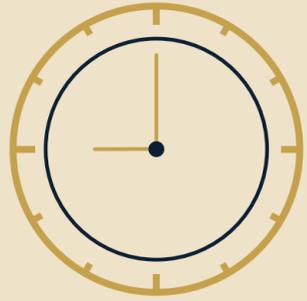

Creator

Mindfulness, reflection and creative activities that support emotional wellbeing, focus and confidence. To have control over high level performance we need to understand & look after our mind health. Finding balance, overcoming fear, anxiety & doubt are key themes in the creator pathway as the children strive to learn about who they are and how they perform well. (age specific)

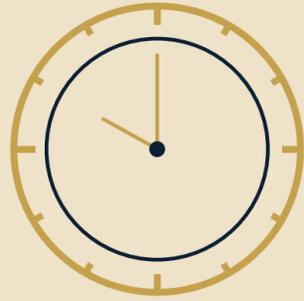

A Typical Day at Edge

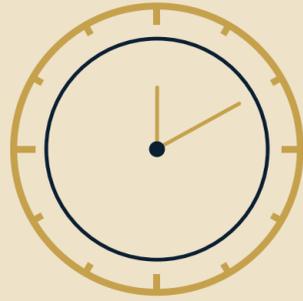

Each day follows a clear, calming structure:

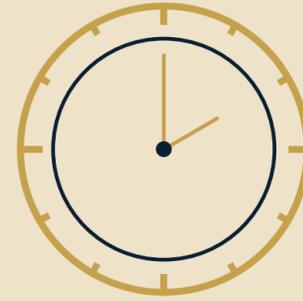

**Energising Morning
Arrival**

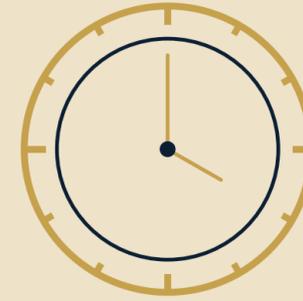

**Immersive Pathway
Sessions
(Structured Skill
Development)**

**Social Lunch and
Reset Time**

**Afternoon
Development and
Challenge**

**Calm, Reflective End
of Day close**

This rhythm creates a safe, purposeful environment where children feel settled and confident as they are challenged and encouraged to self-discover

Partnering With Independent Schools

Edge Camps UK operates as a trusted delivery partner.

- **No operational burden** for school staff
- Flexible revenue-share models
- High-quality provision that enhances school reputation
- Full alignment with safeguarding and site policies

Our camps expose school to the local community, showcasing and representing opportunities for prospective students. Our programmes provide meaningful value to families while generating revenue during non-term time.

Quality, Safeguarding & Trust

- Experienced practitioners & experts
- Clear staff-to-child ratios
- Robust safeguarding procedures
- Calm, consistent behaviour expectations

Edge Camps UK expects and is committed to delivering excellence at every level.

Standards & Commitments

At Edge Camps UK, quality is fundamental to everything we deliver. Every programme is built around clear standards that ensure children are supported, challenged and cared for throughout their time with us.

We commit to:

A High-Quality child experience

Balanced, purposeful days that support confidence, engagement and wellbeing with measurable outcomes.

Intentional Programme design

Clearly structured days built around our Performance, Explorer and Creator pathways.

Professional Coaching and Staffing

Experienced, qualified staff who deliver high-level coaching and positive, inclusive environments.

Robust Safeguarding and Supervision

Clear staff-to-child ratios, consistent supervision and strong safeguarding practices at all times.

Trusted School Partnerships

Full operational responsibility, clear communication and respectful use of school facilities.

Continuous Improvement

Ongoing reflection to ensure our programmes remain high-quality, relevant and effective.

Partnership Map

Our camps operate during every school holiday period

01
